

Star

*Hi I'm Star, a 12 year old female Pomeranian/Corgi mix who came here as a stray. The folks here are in LOVE with me ... so much in fact that they featured me on Fox35 as the "Pet of the Week!" If you spend a few minutes with me, you'll see why. I'm a lap dog who loves to cuddle and go for walks. I'm friendly and happy, I just need a kind person to give me a forever home. My personality will win you over! PS-I love a little bit of soft food with my dinner :) Please adopt me during Adopt A Senior Pet Month!*
