

Amnesty Day

An Animal Outreach and Education Event

••• Have you vaccinated your pet(s) against rabies?

••• Do you have questions about Orange County's new chaining restrictions or other pet laws?

••• Do you know about Animal Services low cost Mobile Spay/Neuter Clinic?

Amnesty means Animal Services wants to help citizens follow the law. During this educational event, you can:

- Get **FREE rabies vaccinations** for your dogs and cats
- Talk to Animal Services about your pet(s) and the law
- Bring pets you are unable to care for, to the location below

While you are there, don't forget to pick-up a schedule for the Animal Services Spay/Neuter Clinic so you can help control pet overpopulation in your community.

Location:

Time:
