

## *The Division of Building Safety Maintains a Satellite Office at Downtown Orange County*

*Bob Olin*

*The Division of Building Safety maintains a satellite office at the Downtown Orange County Administrative Offices to provide building safety inspections and plan review services to this vital economic hub.*

*The office is staffed by a team of dedicated inspectors and plans examiners, who have extensive knowledge and experience in the wide variety of commercial projects located in the Downtown Orange County Area.*

*Our mission is to ensure the safety and welfare of our citizens and guests, and to support the economic strength of our community. We accomplish this through the thoughtful and thorough administration of the Florida Building Codes for new construction projects, as well as alterations to existing structures.*

*Please visit the [Division of Building Safety](#) website for information on obtaining permits and inspections, contractor licensing, available services and current construction topics.*
