

Topaz

Hi I'm Topaz, a super sweet girl who came here as a stray. I'm am very happy-go-lucky and I love to get affection (and give it)! I am very expressive as you can see in my glamour shots above. I love to give sweet kisses when you're not expecting it, too! I'm really playful and love to frolick in the yard. I know how to sit, seem housebroken and love treats. I'm so great, will you save my life by adopting me today?
