

Do you have an in-ground irrigation system?

IF SO, SIGN UP FOR A **FREE** MOBILE IRRIGATION LAB AUDIT OF YOUR SYSTEM

Do you have these common irrigation system problems?

Controller with wrong watering schedule?

Misdirected sprinkler heads?

Wrong spray heads?

Mini geysers?

Now is your opportunity to get a *free* irrigation system audit to find these problems and more. A licensed irrigation expert will perform an audit on your system and provide you with a list of recommendations that will save you money and improve the efficiency of your irrigation system.

To be eligible for this free service you must...

- Be an Orange County Utilities (OCU) water customer.
- Use at least an average of 20,000 gallons of water per month.
- Have an in-ground irrigation system using potable (drinking) water.
