Artist's Statement:

My company, Wild Tiles Mosaics, Inc., focuses on commissioned pieces that are installed in residential and commercial places. However, my main interests lie in custom pieces inspired by my own imagination and experiences. My work reflects my roles as a woman, mother, poet, dancer, friend, lover and dreamer. It focuses on the expansion of my creativity and testing my limits. Many of my pieces are born from dreams, and successfully interpreting them into an art form is always a delightful challenge. I am drawn to using bright, vivid colors, and love to create contrast by mixing mosaics with painted and collaged surfaces.
