

Central Florida Energy Efficiency Alliance

Mission: The Central Florida Energy Efficiency Alliance provides a unified voice for professional and trade organizations, local government, academia, and utilities. The Alliance is committed to research, education and implementation of environmentally and socially responsible energy and building management practices that conserve energy and natural resources.

Members: Members of the Central Florida Energy Efficiency Alliance (CFEEA), are required to meet a minimum level of commitment including a pledge to:

- Send a representative to each CFEEA coordination meeting and ensure that this individual has the authority to make decisions and vote on your organization's behalf. Each organization will be permitted three unexcused absences per calendar year.
- Each CFEEA Founding Members shall be actively involved in a sub-committee and add meaningful content to the committee's objective.
- Each organization must agree upon and set a goal for each challenge. The first challenge is the **Kilowatt Crackdown Challenge**.

I, _____, hereby attest that _____, the organization I represent, has accepted and commits to the formal requirements to become a Member of the Central Florida Energy Efficiency Alliance.
