**Seashore (Acrylic painted canvas - 22"x28")**

**Artist's Statement:**

*I am inspired by the beauty of nature and I paint to attract people away from their daily activities to nature's realistic balance of color and beauty. Using acrylics allows me to create bright and colorful landscapes, scenes and images. I design and create murals and paintings for government agencies, local businesses, and private collectors. My art has earned me several awards and serves as an inspiration to others.*
