

charli

Hi I'm Charli, a beautiful 2 year old collie/shepherd mix who came here after my owner abandoned me. What were they thinking?? I'm such a little sweetie pie! I was very scared at first, but look at me now! I love to run and play with the ball, but I love to give kisses even more! And leaning up against you for snuggles is my trademark move. I'm polite and playful, and tons of fun, too. Take it slow with me, show me you're trustworthy, and you will see me shine. I will make a great best friend!
