### Artist's Statement:

*Judy Bragg Pardo was born in Upstate New York where she learned to love and appreciate nature. She moved to Florida and attended Valencia Community College (VCC) and received her A.S. degree in Graphic Design Technology. Her journey through life has always been balanced with the art of the brush or pen. She paints in watercolors or acrylics but is not restricted to those mediums. Pardo enjoys the challenge to paint with pastels on large sidewalk canvases in street painting festivals. " I thank my husband, children and family for all their outstanding patience and encouragement," says Pardo.*
