Painting/Drawing

**Levitating Women Series:
My Mother's Table
(Pastel - 32" x 40") 1996**

**Rising Women Series:
Woman with Conch Shell
(Pastel - 18" x 24") 1994**

Artist's Statement:

All imagery are portraits that have been simplified almost to the point of becoming an icon. Imagery deals with the feelings and concerns of many contemporary women, the need to be of oneself, to be able to step away and be an observer, but still be an integral part of their loved ones and the world around them.

All pieces are done on 100% rag paper with a 23 carat gold leaf border.
