Ceramic Tile Mosaic

"Sunrise" 2' x 4' 2001
Ceramic Tile Mosaic

Artist's Statement:

Having grown up in Florida with time spent in the Bahamas gives my work its tropical flavor. Starting as an oil painter, I was seeking another medium of expression. Entering the world of interior design stimulated my imagination. My love of the environment and my abhorrence of waste motivated me to recycle discontinued sample books and design project left-overs in my artistic endeavors. My work has been shown in many galleries and public buildings and has won several awards.
