Painting

Daughter-of-Ra – (24 x 36")
Acrylic on Canvas, 2006

Artist's Statement:

*I live as I paint.
Letting go what I think I know
allowing my heart to guide me
discovering again and again
outcomes that are more beautiful, surprising and perfect
than I could imagine with my mind's eye.
Each day and each creation
is a fun adventure into the unknown,
where delightful surprises wait to be discovered.*

*I am fascinated with art's ability to heal, to calm,
to awaken latent talents and spark new insights.
Allowing creativity within to emerge unbridled
is an act of self-love
and courage
to step into a larger, more fulfilling life.*
