### Artist's Statement:

*Tania was born in Puerto Rico. In her homeland, May is often called the "Month of the Flowers". This season, filled with vibrant life and color, may have contributed to her passion for all creations as she grew up.*

*She was raised on a farm like many Puerto Ricans, surrounded by a beautiful variety of flowers, magnificent waterfalls and lush vegetation.*

*All of Tania's work reflects her deep love for her roots and treasured memories of the homeland and people who have made her who she is.*
