

## Speed Trailer Placement Request Form

The Orange County Traffic Engineering Division has a program to educate drivers on their speed as they travel within Orange County. The Traffic Engineering Division will provide, free of charge, the use of a speed radar unit that can be placed throughout your neighborhood.

This unit is stationary and will remain at its requested location until time for pickup.

This unit is portable. HOA or school personnel can maneuver these light-weight (65 lbs) units to a specific location at their leisure.

*Please note:  
Minor training required  
before use.*

If you would like to have a Speed Trailer placed at a specific location within Orange County, please fill out this form.

Please note: Speed Trailers and Portable Speed Trailers are not permitted on private properties. This includes some apartment complexes, retail establishments and gated communities.
