MEMORANDUM

TO: Orange County Building Dept.
SUBJECT: Class A Contracting, Inc. Florida License # CGC054471
Window Certification submittal to **Building Fenestration Master Files**

Attached are (3)three sets of our approved details for Class A Contracting, Inc. window models 2300/2500HS(SLD), 2500 Double Hung, and 2300/2500PW. We have reviewed the test reports (also attached) for the same window models and approve of the use of these windows as replacements for residential projects in the 120 mph wind speed area with exposure category B (in accordance with FBC2001, section 1606), provided that they are installed as shown on our approved drawings. The design wind pressures are shown on the appropriate drawing for each of the window models.

On behalf of the Subject Company, we hereby submit this information for your inclusion in the Building Fenestration Master Files. The pertinent information for the subject company is as follows:
