Viewing the FEMA Flood Zones

Instructions for Using the Infomap System to Locate an Orange County Address

Once in Infomap:

1. Click on the Layers menu located on the upper left hand side of the screen. A series of folder symbols will appear on the right hand side of the screen.
2. Click on the Environmental folder symbol and check mark FEMA Flood Zones.
3. On the upper pull down menu click FIND then Street Address. A new window will appear.
4. Type the information requested and click the Find button.
5. Select the address highlighted in blue on the right hand side. The map will automatically show the address selected in relation to the FEMA Flood Zones.
