

Halo

Hi I'm Halo, a 3 year old spayed female angel! I'm gentle, sweet and soft ... what a little lover girl. I'm very friendly and will follow you around wherever you go. I love to get attention and I'll purr very loud when you talk softly to me. My favorite thing though is when my new kitty friend Petunia cleans my face! I'm very petite so I'd be perfect for a family in an apartment. If you're looking for a sweetie pie, you just found me!
