## Edgewater Drive RCA Study Under Way

Orange County has begun a Roadway Conceptual Analysis (RCA) Study to evaluate the impacts associated with improving Edgewater Drive between Clarcona-Ocoee Road and Pine Hills Road. This study is the first step in determining which improvements would best serve the public and meet the future needs of the area. A Project Location Map is shown below.

Public involvement is a very important aspect of the RCA Study process and the development of this project. Orange County will be conducting the initial public information meeting on **Thursday, October 18, 2001 at Lockhart Baptist Church, 7601 Edgewater Drive, Orlando.** At the meeting, you will have the opportunity to voice your ideas and concerns to those responsible for improving this roadway. Information regarding the project can be reviewed beginning at 7:00 p.m. and members of the study team will be available to answer your questions. A brief presentation will begin at 7:30 p.m.

### Project Contact Information

If you have questions, would like to be added to the project mailing list or would like to schedule a meeting for your group, please contact:

Alison Stettner, AICP  
Orange County Public Works  
4200 S. John Young Parkway  
Orlando, FL 32839  
Phone: (407) 836-8076 Fax: (407) 836-8079
