Mermaid's Realm (Oil on Canvas 30" x 60", 2003)

Artist's Statement:

What subject I paint is less of an issue for me these days, it is the act of painting in and of itself that I enjoy. I work a variety of subject matter, and water seems to be one of my favorite elements to include. To stretch my skills I paint abstracts and do figure study. The trick is knowing how to let the paint do its thing.
