Hi we're Daisy, River, Meadow, Skye & Zephyr. We are 10-month old American bulldog mixes. Our owner was deployed to Iraq and his family couldn't keep all of us. We are so lovable! We're full of spunk and sweet as can be. We love to run and play with toys in the yard, but our favorite thing is LOVE! We need active families – we're energetic puppies. The folks here are working with us to teach us how to sit and walk on a leash. We're doing great, but we need you to continue helping us grow and learn. One look in our eyes and you'll see we're worth it!

If you are interested in adopting any of us, please call Animal Services at (407) 254-9150. Ask for us by our Animal ID numbers!
