

# DOG PARK RULES

1. Dog owners must be in the fenced dog park at all times within view and voice command range of their dogs. Dogs should come when called by their owners.
2. Dogs must be removed from the dog park at the first sign of aggression. Aggressive dogs are not permitted on the premises.

9. Do not run within the dog park.
10. All dogs must have and display current licenses and tags.
11. All other general rules of the park are also applicable within the dog park.
12. All dog owners who fail to comply with the rules can be expelled from the park. Repeat offenders are subject to banning from the park.
