**Curb Ramp-Sidewalk/Audible Pedestrian Signal Information**

To achieve or maintain program accessibility, it is advisable for public entities to establish an ongoing procedure for installing curb ramps and audible pedestrian signals and also fixing damaged sidewalks upon request in areas frequented by individuals with disabilities as residents, employees or visitors.

If you wish to report a damaged or missing curb ramp, broken sidewalk, or the need for audible pedestrian signal in unincorporated Orange County, please call the County Services phone number, 311.

To report a damaged or missing curb ramp, broken sidewalk, or the need for an audible pedestrian signal located in a municipality, call that municipality's public works department (e.g, Winter Park, Ocoee, Winter Garden, etc.)
