

Got Drugs?

Turn in your unused
or expired medication
for safe disposal
**Saturday,
April 28, 2012**

Federal Guidelines:

Do not flush prescription drugs down the toilet or drain unless the label or accompanying patient information specifically instructs you to do so. For information on drugs that should be flushed visit the FDA's website. To properly dispose of unused and unwanted prescription drugs, please follow the following guidelines:

1. Take your prescription drugs out of their original containers.
2. Mix drugs with an undesirable substance, such as cat litter or used coffee grounds.
3. Put the mixture into a disposable container with a lid, such as an empty margarine tub, or into a sealable bag.
4. Conceal or remove any personal information, including Rx number, on the empty containers by covering it with black permanent marker or duct tape, or by scratching it off.
5. Place the sealed container with the mixture and the empty drug container in the trash.

For more information about prescription drug disposal and upcoming community prescription drug take back days, please contact the Orange County Drug Free Office at 407-836-7335 or visit the website at www.drugfreecoalition.org
