Citizen Planner Academy 2019

**Do you want to become more actively involved in making
Orange County a sustainable community?**

You can help make our community a more prosperous, livable, and healthy place for all our citizens and guests both now and in the future. Citizen Planner Academy is a series of classes designed to promote and increase citizen engagement in sustainable decision making by developing knowledge of the planning process, and to provide an introduction to various planning disciplines.

Each year the core courses – Planning Basics and Sustainability – and a series of special topics will be offered. The Academy is open to all Orange County citizens; however, registration is required. Sign-in begins a half hour before class starts. Light refreshments will be served. All classes held at the **Internal Operations Center, 450 E.
