 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

Provide a description of how the PHA Plan is consistent with the Consolidated Plan or State
 Consolidated Plan and the AI.

The PHA Plan is consistent with Orange County 2016-2020 Consolidated Plan Section AP-55-
 Affordable Housing 91.215 (a) (2), (a) (4), (c), (1,2) which identifies and prioritize
 Affordable Housing for extremely low, low and moderate income households. The plan also
 outlines goals and objectives and resources to address the need for Affordable housing in Orange
 County (pages 190-204). One of the most critical issues identified by the 2016-2020 Analysis of
 Impediment to Fair housing Choice Report was an insufficient supply of affordable housing
 Units. The Report further recommends continual funding for affordable housing projects, including
 those that serve disabled populations, the elderly, and families with children (page 68).

Thereby certify that all the information stated herein, as well as any information provided in the accompaniment herewith, is true and accurate. **Warning:** HUD will prosecute false claims and statements.
