

Scoring for M/WBE participation in RFPs shall be computed as follows:

1. Review the RFP to determine the Weight of the M/WBE Participation.

For Example if the Weighted Criteria in the RFP, shows the M/WBE participation is 15.

2. Multiply this by 5 to determine the total weighted points.

15 * 5 equals 75. Therefore, 75 is the total weight points given for M/WBE participation.

3. 50% weighted M/WBE participation points will be awarded for meeting the County's:

- a. Certified M/WBE subcontract utilization goal

If this goal is achieved 50% of the weighted M/WBE participation points is 37.5 weight points

- b. Employment workforce goal of 18% minority employment and 6% women employment

If this goal is achieved 50% of the weighted M/WBE participation points is 37.5 weight points

4. **The proposer will receive the following:**

75 Total Weighted points if both the Certified M/WBE subcontract utilization goal and the Employment workforce goal of 18% M/WBE and 6% women is achieved

37.5 Total Weighted points if only the Certified M/WBE subcontract utilization goal is achieved

37.5 Total Weighted points if only the Employment workforce goal of 18% M/WBE and 6% women is achieved

0 Total Weighted points in neither the Certified M/WBE subcontract utilization goal and the Employment workforce goal of 18% M/WBE and 6% women are not achieved
