

ORANGE COUNTY PARKS AND RECREATION METAL DETECTOR USE GUIDELINES

Metal Detecting Conditions

- Lifetime permits are granted for Metal Detecting at all eligible sites only.
- Parents or guardians are responsible for signing applications for their minor children.
- Metal detecting activities should not contribute to trail-blazing and should not be conducted in prohibited areas or areas where activity is discouraged (wetlands, environmentally-sensitive areas, archaeological sites, areas of historical significance or within any facility or structure).
- When metal detecting, the surrounding environment shall not be disturbed. The cutting of vegetation is prohibited.
- A hand tool for digging purposes is permitted. Holes should be no more than six-inches in depth.
- Any holes created must be refilled immediately. Failure to comply with this condition will result in the revocation of the user Agreement and Metal Detecting Permit.
- Metal detecting shall be conducted in patron-use areas only. All park structures shall be utilized appropriately during any search.
- Any actions that result in the harassment, endangerment, or death of any wildlife constitute grounds for immediate termination of the Agreement, loss of lifetime Metal Detecting privilege, expulsion from the park site and, additionally, may result in action by law enforcement.
- Metal detecting must take place within known park boundaries and cannot be conducted within 1,000 feet of neighboring houses or commercial industries adjacent to park perimeters.
- Metal detecting must take place during established park operating hours.
- All local regulations and ordinances must be followed while metal detecting.
- All Orange County Parks and Recreation Rules and Regulations must be followed while on park property.
- Metal detecting is prohibited in construction areas.
- Metal detecting may not be permitted in partnership properties or lands not owned by Orange County.
- If physical signs of activity are impacting an approved location, management has the right to request that metal detecting activity cease in this area.
- Any person(s) found in violation of the above conditions may be restricted from metal detecting for up to one-year (1) at any Orange County Park or Recreation Site.
- Orange County Parks and Recreation is not liable for any damage to personal metal detectors from weather, vandalism, natural disaster, etc. or management activities conducted by the County or its contractors.
