** **NOTICE:** When your Medicare Part A hospital benefits are exhausted, the insurer stands in the place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the Certificate of Coverage’s “Core Benefits.” During this time the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

*** Once you have been billed \$185 of Medicare-approved amounts for covered services (which are noted with an asterisk), your Part B deductible will have been met for the calendar year.

Exclusions

What’s Not Covered (not all-inclusive):

Unless specifically stated otherwise, this plan does not cover or consider for payment any service or supply or any portion of a service or supply that is not a Medicare-Eligible Expense, nor will this plan duplicate any benefits paid by Medicare.

The complete list of exclusions is provided in your Certificate of Coverage. To the extent there may be differences, the terms of the Certificate of Coverage control. Examples of things your plan does not cover, unless required by law, include (but may not be limited to):

1. Services or supplies not covered or approved by Medicare, and not considered eligible as a Medicare-Eligible Expense. For an expense to be considered for payment, the stay or service must meet the Medicare program standard; Medicare’s conditions, limitations and exclusions apply unless otherwise specifically stated within the Certificate of Coverage. In the event that the Medicare program changes to provide coverage for different care or services, the Certificate of Coverage will be amended accordingly.

SUMMARY OF BENEFITS

2. Services or supplies in excess of what Medicare determines or would have determined is a covered service and a Medicare-Eligible Expense.
3. Services or supplies which would duplicate what Medicare has paid or would have paid had a claim for services been submitted to Medicare.
4. Services or supplies received outside of the United States unless approved and covered by Medicare or for Emergency Services received outside of the United States
5. Services or supplies for which you have no obligation to pay – no benefits are provided for stays, care or visits for which no charge would be made to you in the absence of insurance, or for which you have no legal obligation to pay.
6. This plan will not cover a stay, service, supply or facility provided by a hospital or other institution owned or operated by a national government, or any other government, unless payment of the charge is required by law.

7. This plan will not cover any injury or sickness for which you are entitled to any benefits under workers' compensation or similar law. This plan does not contain limitations or exclusions on coverage that are more restrictive than those of Medicare.
