5. Administrative costs of the EDO.

Total General and Administrative Expenses were \$1,845,924 for FY 2025.

6. The number of businesses assisted by the EDO and the type of assistance provided.

In Fiscal Year 2025, the Partnership assisted more than 304 companies that were considering expanding or relocating in the Orlando region. Assistance provided ranged from site selection, permitting/licenses, employee relocation services; research and market analysis; business contacts and referrals; general community information; procurement of financing; state and local incentive discussions; and labor/training programs, such as the Quick Response Training (QRT) and Incumbent Worker Training (IWT).

In addition to traditional project assistance the partnership conducted 84 business retention and expansion visits to companies and responded to 116 requests for technical business assistance to local companies. Technical assistance provided ranged from market data and research, real estate inquiries, permitting, film, introductions to local businesses/partners, financing etc.

In terms of film, television permitting assistance, the Partnership processed 170 permits, for a total of 446 permitted production days generating \$39 million in local economic spend in fiscal year 2025.

7. The capital investment of businesses who have been assisted by the EDO.

The capital investment of the 20 businesses assisted by the Partnership in Fiscal Year 2025 is \$597,414,800.

**Orlando Economic Partnership
2025 Annual Economic Development Activity Report**

8. The foreign investment of businesses who have been assisted by the EDO.

In Fiscal Year 2025, the Partnership assisted 7 international companies in establishing or expanding their operations. The total foreign investment of this company is \$88,614,800.

9. The number of new direct jobs as a result of a business being moved into the area or expanding in the area due to the assistance of the EDO.

A total of 2,593 new direct jobs will be created over a period of three years by the 20 companies that are establishing new and/or expanding existing operations in the Orlando region in Fiscal Year 2025.

10. The number of jobs retained.

In Fiscal Year 2025, in addition to the 2,593 new direct jobs created, the Partnership assisted in retaining 65 jobs.

11. The type of incentives that the EDO has successfully assisted businesses in receiving.

In Fiscal Year 2025, the Partnership assisted companies in obtaining one or more of the following state and local incentives: The Capital Investment Tax Credit, Quick Response Training Grants, Utility Incentives, and Expedited Permitting.

12. Any additional information that would show an economic benefit to the local government as a result of the efforts of the EDO.

In fiscal year 2025, the Partnership expanded its collaboration with the Florida Semiconductor Engine, working to strengthen the region's semiconductor ecosystem among the Partnerships broader economic development portfolio. A key strategy included expansion of site identification, readiness, and development. To support this initiative, we expanded our work under D.I.R.T. (the Development Initiative for Regional Transformation), which focuses on expanding the Orlando region's inventory of development-ready commercial and industrial sites through collaborative efforts to identify, advance, and market properties at every stage of readiness.

Additionally, in fiscal year 2025 the Partnership expanded work under two key memorandums of understanding with regional partners to strengthen development opportunities and foster impactful partnerships. These agreements were established with Orlando Sanford International Airport (SFB) and the Kissimmee Vine Street CRA. Each partnership focuses on vital areas such as market analysis, community engagement, stakeholder collaboration, and business attraction, all designed to drive sustainable growth and enhance the region's capacity to meet future demands.
