Pine Hills Neighborhood Improvement District (PHNID) Advisory Council Minutes

Community Updates

Code Compliance

No Report. There are candidates for the PHNID tech position. Interviews will be scheduled after the applications are reviewed.

There is a trailer and other items in the lot next to the new Mosquito Control building. It does appear that someone is living in that space. Pictures of this location will be (at the time of these minutes pics had not been sent) sent to Code Compliance.

The first step for handling any code violation/issue is to report it to 311.

OCSO

Lt. Kelly Burda shared that there is still an uptick in car burglaries.

Executive Director Johnson asked if the speed radars could be placed at certain spots along Silver Star and Pine Hills Road.

She also asked about the students from Evans and the issue of crossing the street correctly. Lt. Burda mentioned that in theory the sheriff's office has done what they can to address the illegal crossing. There should be more of a sheriff's office presence as the school year ends. Chair Michael Strayhorn requested ideas for designs that could make pedestrians more likely to use the crosswalks. Jonathan Johnson asked what Evans High School could do to help ensure that students understand what is expected of them?

PHNID Staff Update (Tamara Johnson)

Redistricting-there are multiple meetings being held in each district designed for residents to voice their concerns and ask questions.

There are four vacant PHNID seats requiring appointments from the Orange County Mayor, Commissioner Moore (District 2), PHSNP, and Pine Hills Community Council (PHCC). A member of the PHNID Advisory Council can be a property owner or resident within the NID. The Executive Director requested names of eligible people.

Streetscape-The county is working to complete the knee wall.

Septic to Sewer is working on their progress along Pine Hills Road.

Pine Hills Neighborhood Improvement District (PHNID) Advisory Council Minutes
