MONICA HARRIS SPIRES EXCELLENCE IN LEADERSHIP

This award is in honor of Monica Harris Spires, a dedicated community leader. Monica was a member of the Neighborhood Services Division and was a community leader. She was a member of Delta Sigma Theta Sorority, Incorporated, American Cancer Society, Relay for Life-Event Co-chair and 2009 OCPS Volunteer of the Year. Monica thrived from helping others and giving back to her community. On October 15, 2012, sadly, she passed away. In her honor, we have created the Monica Harris Spires Excellence in Leadership Award.

This award is for newly elected community leaders who have been in their respective role for less than two years. If a community leader has won this award in the past, they are NOT eligible. Nominees must have exhibited their outstanding leadership in the previous fiscal year (October - September). All award nominations should be from residents only (nominations from a business, non-profit or elected officials are ineligible).
