

Commercial Reclaimed Water Rate Increase

Orange County Utilities is committed to providing reclaimed water as a cost-effective and environmentally beneficial resource for irrigation.

To ensure fair rates that better reflect the true costs incurred while encouraging conservation, Orange County Utilities commercial customers will see reclaimed water rate increases effective October 1, 2025. Along with this change comes a simplified fixed monthly charge schedule with no monthly usage allowances.

WATER SAVING TIPS

-  Install and program Wi-Fi enabled irrigation timer
-  Ensure rain sensors are working properly
-  Limit irrigation to only what's needed: 30 minutes for rotors; 15 for sprays
-  Follow the nine principles of Florida-Friendly Landscaping™
